

## Introduction

Welcome to the 6<sup>th</sup> edition of eNews, in what promises to be an exciting year with lots of opportunities to both grow and develop the Scout Fellowship.

eNews is designed to deliver the latest news to ADCs and ACCs but if you would like your own copy, please email [fellowship@scouts.org.uk](mailto:fellowship@scouts.org.uk) and we will deliver it to your inbox.

## Update on the review

The review of the Scout Fellowship is progressing well, with all comments and feedback been taken on board by the team. Comments particularly from the Regional Development, Advice and Support days (RDDS) have been both positive and encouraging.

New resources are currently being prepared and the team is looking at branding and image, two things that featured strongly in the review.

The team have been out and about during the back end of last year attending the first batch of workshops. It has been great fun meeting many of you and in particular, getting feedback on what is happening in your Region.

We are looking forward to meeting the rest of you at your own workshops in the next couple of months.

The Development, Advice and Support days have been held in a number of Regions across England

The dates for the next days are:

North West of England - 8 Feb 09

Scotland - 13 to 15 Feb 09

Wales - 28 March 09

## Supporting Sections

---

Every January, May and September there are a number of eNews bulletins similar to this one, that contain information about each of the five 6 to 25 programme Sections together with global, activities and Adult Support. They are well worth a read for anyone involved in supporting these areas of Scouting as they contain the latest information and developments.

They can be found by visiting:

[www.scoutbase.org.uk/6to25/ppoints/index.htm](http://www.scoutbase.org.uk/6to25/ppoints/index.htm)

---

## Programme Changes

---

Last year the four younger youth sections: Beaver Scouts, Cub Scouts, Scouts and Explorer Scouts refreshed their programmes which brought a whole range of new opportunities for the Scout Fellowship to provide active support to these sections.

Further information about these changes can be found at [www.scoutbase.org.uk/6to25/](http://www.scoutbase.org.uk/6to25/)

There are a range of books that have been produced covering each section, which can be purchased through the Scout Information Centre.

These exciting changes are now fully integrated into the weekly running of each section so why not contact your local Group or District and see if there is any support they would like?

---

## What's your story?

---

Over the past year the support team has met many Scout Fellowship members providing outstanding active support to their local Scout Groups, Districts and Counties.

Are you a member of a Group who is providing active support or do you know of such a Group? If so we'd be thrilled to hear from you, please E mail us with your story [fellowship@scouts.org.uk](mailto:fellowship@scouts.org.uk) including pictures, if possible.

---

## Enhance your CV

---

When we talk about the Fellowship to others, do we explain the benefits that being a Member could bring to their CV?

As part of the Scout Fellowship some Members, quite willingly take on extra training, not only Scout courses but external training to enable them to provide support to Scout Groups, Districts and Counties, for example adventurous activities.

Promoting the extra personal benefits that the Fellowship can bring may attract extra Members to join you. If you have had success with recruitment to your Scout Fellowship, please let us know at [fellowship@scouts.org.uk](mailto:fellowship@scouts.org.uk).
