18-25 Sub-camp at Wings2009

August 2009 may seem like a long way away, although now is the time to register for Wings.

The planning is already underway for a dedicated sub-camp for 18 to 25 year old Scouts and Guides. As with Wings2003, there will be a dedicated Activities Programme, Bar, Cafe and Evening Entertainment exclusively for Scout Network and Guides' Senior Section only. Whether you are planning on going to Wings as a leader of a Unit, or purely as a participant, this sub-camp will provide you with an Adults only area, where you can relax, unwind and have a great time.

The Sub-camp Team

To deliver the best possible sub-camp, we will be putting together a Sub-camp Team over the next few months to run this during the Wings week. We are therefore looking to recruit people to take charge of the Day Activities, Evening Entertainment, Communications, Cafe Manager, to but name a few of the crucial roles necessary for the camp to be a success. If you would like to get involved in this please contact us for further details (see below). These roles will require a meeting bi-monthly from around September 2008 until the event. You will also need to be "on site" for all of the Wings week.

Registration

Whatever you choose to do at Wings2009, we need you to register your interest in attending now, since the more people we get, the better we can make the event. Registering is painless and can be done on the Wings2009 website.

To register on the Sub-camp Team and undertake a role in the running/delivery of the Sub-camp, please follow the link below:

<https://www.wings2009.org.uk/sstaff/register.html>

Where you are given a drop-down menu option, asking what team you are interested in, select "Unit Support Team", then in the free-text box, please state that want to support the "18-25 Sub-camp".

Alternatively, to register your Network/Section, please use the following link:

<https://www.wings2009.org.uk/sunit/register.php>

You will be asked estimate your numbers and once registered you will have access with the Unit Zone.
