TWYFORD BOUNDARY WALK

Sunday 7th May 2006

Back for a second year by popular demand!

PROJECT PHOENIX

Fund Raising Opportunity!

Are **you** looking to raise money in 2006 for extra equipment, that special trip or even day to day running expenses. We can help. Although aimed at charitable or youth groups, anyone can take part. It is not a competition but a fundraising opportunity. All walkers will be issued with a sponsorship form and can raise money for the charity of their choice. There will be a fee for each participant of £5 a head and this will go to the Twyford Scouts and Guides Project Phoenix to raise money for the new headquarters.

If participants are also raising money through their sponsors for Project Phoenix then there is no fee.

The walk

There will be two walks – one of 10 kilometres (approximately 6 miles) and another for the more energetic of 14 kilometres (about 9 miles). The walk is for anyone who is reasonably fit though there will be stiles and muddy paths so it's not suitable for children in buggies. The walk will try to follow, as closely as is possible on public rights of way, the boundary of the parish of Twyford.

Safety

You will be walking in groups of a maximum of 8 people which, in the case of those under 14, will need to include 2 adults. Starting times will be staggered, there will be a first aid post at the start and the whole route will be marshalled. At a half way point there will be an opportunity to replenish water bottles, buy emergency food supplies or even get a lift back to the start if it's all getting too much! However, in line with normal good walking practice, each party would be expected to ensure that they have good supplies of water, an emergency first aid kit and enough food for the day. All parties will be given a map as well as written directions.

Register now to receive your sponsorship form. You don't need to pay until the day. Start getting your sponsors now!!
