## A Simple Vote

You won't need any equipment for this one

Sometimes the simplest things are the best this is just a straight forward vote

- 1) Make a list of the activities you have done in your latest programme
- 2) Ask your young people to vote on whether they enjoyed that activity or not
- 3) Make sure your voting method is interesting to keep the young people engaged, this could be putting on a funny hat if you like the idea, some form of gesture other than a simple hands up, pulling a particular face, standing on one leg. The options are endless but it's important you choose something the young people will enjoy, you could even try changing the voting method for each question
