October 2023 – FLIGHT SPECIAL

Dates for flights

Following lengthy discussions between Ethiopian Airlines and our travel agent, we now have confirmation of flights for Malawi 2024. It should be noted there are limited carriers and flights to Blantyre (Malawi) and so it's been a real challenge to meet our requirements to travel for three weeks commencing the weekend of 27 July 2024.

It's not been possible to get the large group on a single flight and so there will be two departures/returns. Allocation to flights will take place in due course (at this stage we are only required to book seats – names are required at a later date).
