## August 2025

### Malawi 2026

The 2026 visit will be small in numbers and will continue the community work undertaken in the Milo area (near Blantyre) as well as strengthening our support for Scouts Association Malawi (SAM).

The 'Network' group will spend much of its time undertaking a refurbishment project as well as some rest and recreation time.

A small 'Support' group of Leaders will focus on projects (past and future) as well as supporting the 'Network' group.
